## **CONSTRUCTION UPDATES**

### **Week of June 29, 2015**

Project: Cliff Street Sidewalk Improvements  
Description: Installation of new sidewalk between South Willard and Summit St. on the north side of the road.  
Schedule: June 22, 2015 through July 31, 2015

Activities: The contractor is scheduled to start excavation work for the new sidewalk and the parking pull off. Their work will start on Cliff Street between South Willard and Summit Ridge this week, however tree pruning and excavation for catch basin structures could extend their work beyond this segment.

Traffic: During construction vehicle traffic on Cliff Street between Summit Ridge and South Willard will be reduced to one-lane, one-way. Vehicles will only be allowed down the hill (westbound). Uphill (eastbound) will be detoured. Pedestrian traffic will be accommodated both ways, please follow directions of on-site traffic control.

Project: Wayfinding  
Description: Installation of new pedestrian and vehicular signage in the downtown.  
Schedule: June 29, 2015 through August 21, 2015

Activities: The contractor is scheduled to start marking sign locations and preparing for work on hairpin sign replacement around the downtown.

Traffic: Localized traffic control immediately adjacent to work sites will be provided by the contractor, this will include lane reductions and no parking as necessary.

## CONSTRUCTION UPDATES

Week of June 29, 2015

Project: Street Paving

Description: Repaving of City streets as identified in the Approved FY16 Street Reconstruction Program.

<http://www.burlingtonvt.gov/sites/default/files/DPW/StreetCapital/PAVING%20LETTER%20-%20APRIL%202015-WEBSITE.pdf>

Schedule: July 6, 2015 through October 16, 2015

Activities: The contractor is scheduled the week of July 6<sup>th</sup>, with the following group of streets: Beltline, Oakledge Park, Foster St, Sears Ln, Loomis St.; with Germain St, Spring St, Hildred Dr. starting later in July. The remaining Streets included for paving will start in mid-August.

Traffic: Local traffic will be maintained with on-site traffic control and signage.

Project: Department of Public Works

Description: Other projects being completed by the Department of Public Works

<i>Henry Street Bumpouts:</i>	Constructing new sidewalk and working on curbing for second bumpout at corner of Henry/Weston.
<i>Spring St./ Archibald:</i>	Sidewalk and curb ramp improvements, new crosswalks at the NW corner of Dewey Park.
<i>Oakland Terrace:</i>	Water main replacement work starts.
